

# NOTEBOOK WORKSHEET - UNIT 7 DRIVING QUESTION

Name:

Date:

**Driving Question:** Was farming an improvement over foraging?

**Driving Question (World History):** What makes human societies similar and different?

**Driving Question (World History):** Why do societies collapse?

**Directions:** Answer the unit driving question that your teacher has assigned, once in Lesson 7.0, and then again in Lesson 7.2. Think about how farming led to the development of civilizations, to changing societal roles, and to the unequal distribution of resources.

| Lesson 7.0 | Lesson 7.2 | How has your thinking changed? |
|------------|------------|--------------------------------|
|            |            |                                |
