

WHAT DO YOU KNOW? WHAT DO YOU ASK?

Name: Date:

Directions: Your job is to assemble the best research team possible to most deeply understand an object or event (you must include at least three disciplines). Fill out this worksheet to plan your research team's approach to doing this. Next, you'll argue for why your team is best suited for the job.

Object or Event: _____

Part I

1. Discipline 1: _____

What would someone from this discipline know or want to know about this object or event? _____

2. Discipline 2: _____

What would someone from this discipline know or want to know about this object or event? _____

3. Discipline 3: _____

What would someone from this discipline know or want to know about this object or event? _____
